Subject: FOIA - 2nd request

Dear Lt. Adrienne,

This is a repeat of my original email sent on January 8. Please reply.

Sincerely,
John Hammerstrom

This is a request under the Freedom of Information Act 5 U.S.C. § 552.
I request that a copy of the following documents [or documents containing the following information] be provided to me.

Draft Aircraft Noise Study for Forecast CY07 Conditions at NAS Key West,
Wyle Laboratories, 2003.

If there is a "Final" Aircraft Noise Study, I request a copy of that document as well, and further request that I be informed if there is no Final study.

In order to help to determine my status to assess fees, you should know I am an individual seeking information for personal use and not for commercial use.

I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest.

If you are unable to grant a waiver of fees, I would be willing to accept the cost for such documents, not to exceed \$20.

I would prefer the document(s) in digital form (PDF).

If you deny any part of this request, please cite each specific reason that you think justifies your refusal to release the information and notify me of appeal procedures available to me under the law.

If you have any questions processing this request, you may contact me at the following e-mail address or U.S. Mail address:

Thank you for your consideration of my request.

Sincerely,

John Hammerstrom
