Mr. John Hammerstrom  
P.O. Box 860  
Tavernier, FL 33070

Dear Mr. Hammerstrom:

SUBJECT: FREEDOM OF INFORMATION ACT (FOIA) REQUEST OF  
FEBRUARY 26, 2008

This responds to your FOIA request of February 26, 2008, in which you seek a copy of the Pre-Release Draft Environmental Assessment for Maintenance Dredging of the Key West Channel and Truman Annex Harbor dated February 11, 2003. Your request was received by this office on February 26, 2008 and assigned file number 20080007.

Please be advised that, pursuant to procedures established in Secretary of the Navy Instruction (SECNAVINST) 5720.42F, our search for responsive records will encompass only those records in existence as of February 26, 2008; the date your request was received by this office. Any documents generated after this date will not be considered.

Our search for records included files maintained by the Naval Air Station (NAS) Key West Business Office and the NAS Key West Environmental Department. However, despite this diligent search, we were unable to locate responsive documents. Fees associated with the processing of your request are waived in this instance.

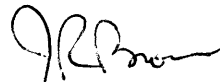

You are advised that you have the right to appeal, in writing, to: Judge Advocate General of the Navy (Code 34), 1322 Patterson Avenue SE, Suite 3000, Washington Navy Yard, Washington, DC 20374-5066.

Your appeal must be postmarked within 60 calendar days from the date of this letter to be considered. A statement as to why your appeal should be granted should be included and the enclosed copy of this letter should be attached. Both the Appeal letter and the envelope should bear the notation, "Freedom of Information Act Appeal."
